*Range applies to MG4 EV Lux Extended Range with the 77 kWh battery from a single charge on the WLTP combined cycle: Combined Range: 323 miles (520 km); City Range: 439 miles (708 km); Combined Driving Efficiency: 5.98 km / kWh (16.7 kWh / 100 km). Range figures are provided for comparative purposes only and may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. **With the seats folded down.

Built smart

Tech to impress

The MG4 EV charges ahead with innovations, which include regenerative braking and the semi-autonomous MG Pilot system as well as MG iSMART with Voice Recognition that helps you stay connected to your car. A 10.25" colour touchscreen with Apple CarPlay™ and Android Auto™ comes standard while its Vehicle to Load (V2L) technology allows you to easily power external devices, such as e-bikes.

Safe and sound

The MG4 EV comes with the MG Pilot System – a suite of advanced safety features designed to help you take on the road and the world around it with confidence.

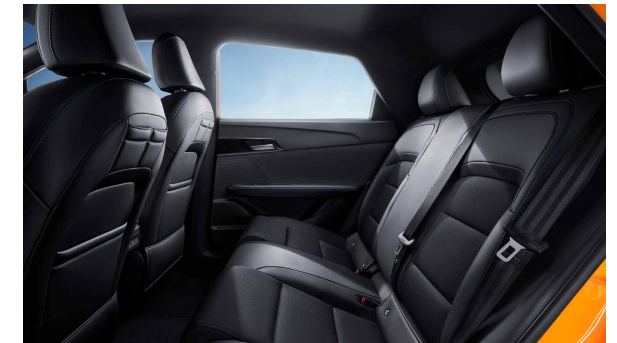

The drive you crave

Glide around corners and command the straights with greater precision and agility. Independent rear suspension delivers a smooth ride, and 5 selectable driving modes enable adaptability to different road conditions.

Room for everything and everyone

A spacious interior ensures comfort wherever the road takes you while an ingenious array of smart storage means you have everything you need to stay organised.

Exceptional value

With cutting-edge design and innovation, a plethora of features and advanced safety as well as an 8-year* battery warranty, the MG4 EV proves the future is electric – and affordable.

*8 years or 180,000 km, whichever comes first.

Projector LED headlights with integrated LED daytime running lights*

Cross hatch light design effect*

Spark envy

Daring design meets real-world practicality

With bold styling and a streamlined face that frames angular LED headlights, the MG4 EV projects confidence from every angle. On the Lux, Extended Range and XPOWER models, a flowing two-tone roof connects to an instantly recognisable twin aero rear spoiler. Follow the smooth lines down, and you'll find a rear centre light bar with distinctive cross hatch detail.

*Excludes Standard Range.

Twin aero rear spoiler*

Superior interior

Next level comfort and convenience

As you take the two-spoke steering wheel in-hand and settle into the ergonomic driver's seat, the MG4 EV's intuitive digital display has all the information you need. Plus, smartly designed storage spaces throughout the cabin keep your essentials within easy reach.

Shift effortlessly

Change from park to drive with a turn of our elegantly simple rotary gear selector. With auto start and stop, plus an electronic park brake, you can enjoy total control with minimum effort.

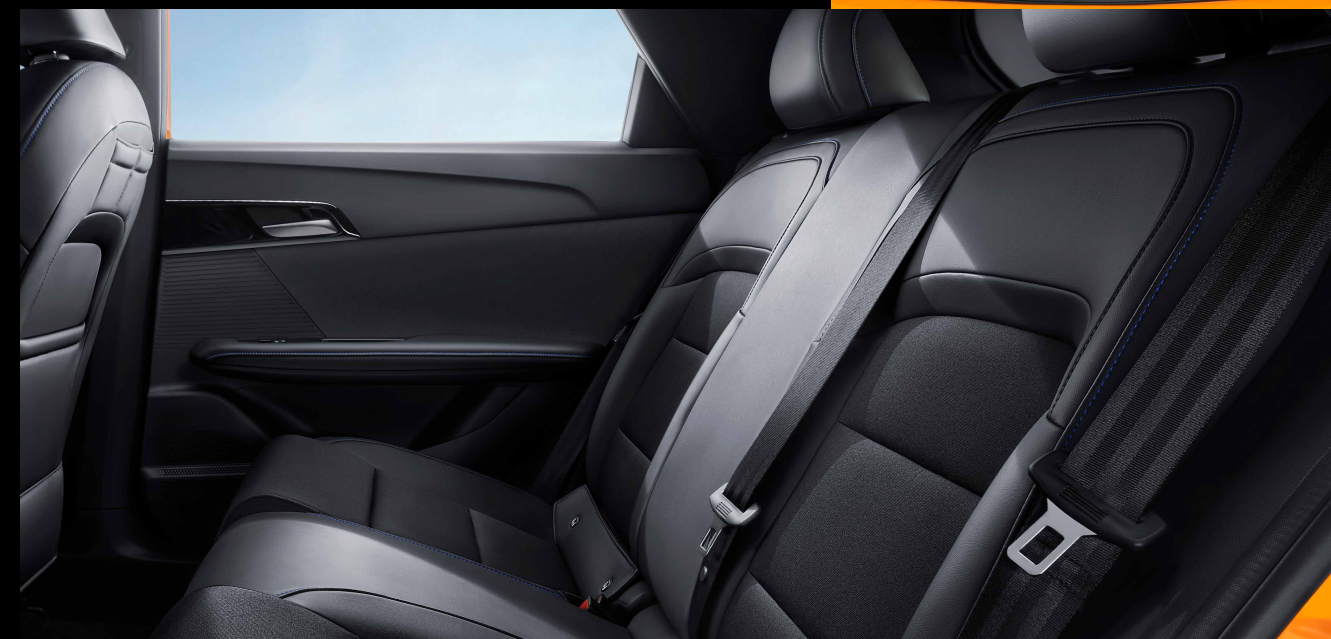

10.25" colour touchscreen with Apple CarPlay™ and Android Auto™
Premium 6-speaker audio system with 3D surround sound
360° parking camera
Wireless mobile phone charger
Premium soft-touch panels

Space for more enjoyment

The all-new MG4 EV features a 2,705 mm wheelbase and an ultra-thin battery for more interior space and comfort for all. With added practical functions like a USB charging port for passengers in the back.

In addition, there's space for more on every journey with an amazing 398 L of boot storage space that further extends to 1,177 L with the rear seats folded down.

EXPERIENCE PURE POWER

All-new MG4 EV XPOWER is the first of the next generation of high-performance EV hatchbacks, offering breathtaking power, dynamic styling and an unforgettable driving experience. Featuring a brand-new all-wheel drive system for improved traction alongside dual motors that work in sync with launch control for unparalleled acceleration. Its onboard 10.25" touchscreen offers a track mode display and an advanced braking system offers the ultimate control.

battery

Next level performance

The all-new MG4 EV XPOWER's next generation 64 kWh battery produces a maximum power of 435 PS (320 kW) and a maximum torque of 600 Nm powered by an all-new dual motor configuration, taking your electric driving experience to the next level.

Exclusive design

Featuring striking orange 'XPOWER' brake callipers, 18" cyclone alloy wheels, two-tone black roof, glossy lower body mouldings with silver inserts alongside an exclusive matte Racing Green colour option, the MG4 EV XPOWER truly is a HOT hatch.

Dual motor powertrain

With the all-new dual motor powering all four wheels, the MG4 EV XPOWER offers an impressive 435 PS (320 kW) and up to 600 Nm of torque, positioning itself as one of the most powerful high-performance hatchbacks available.

Advanced braking

By combining the unique 18" cyclone wheels, larger front and rear brake discs, and new sports callipers, the MG4 EV XPOWER achieves a remarkable deceleration from 100 – 0 km/h in only 33.9 metres.

All-wheel drive

Take control of the road with MG4 EV XPOWER's newly introduced all-wheel drive system. Providing enhanced traction, improved stability and advanced safety through active braking on the inside wheels for added peace of mind.

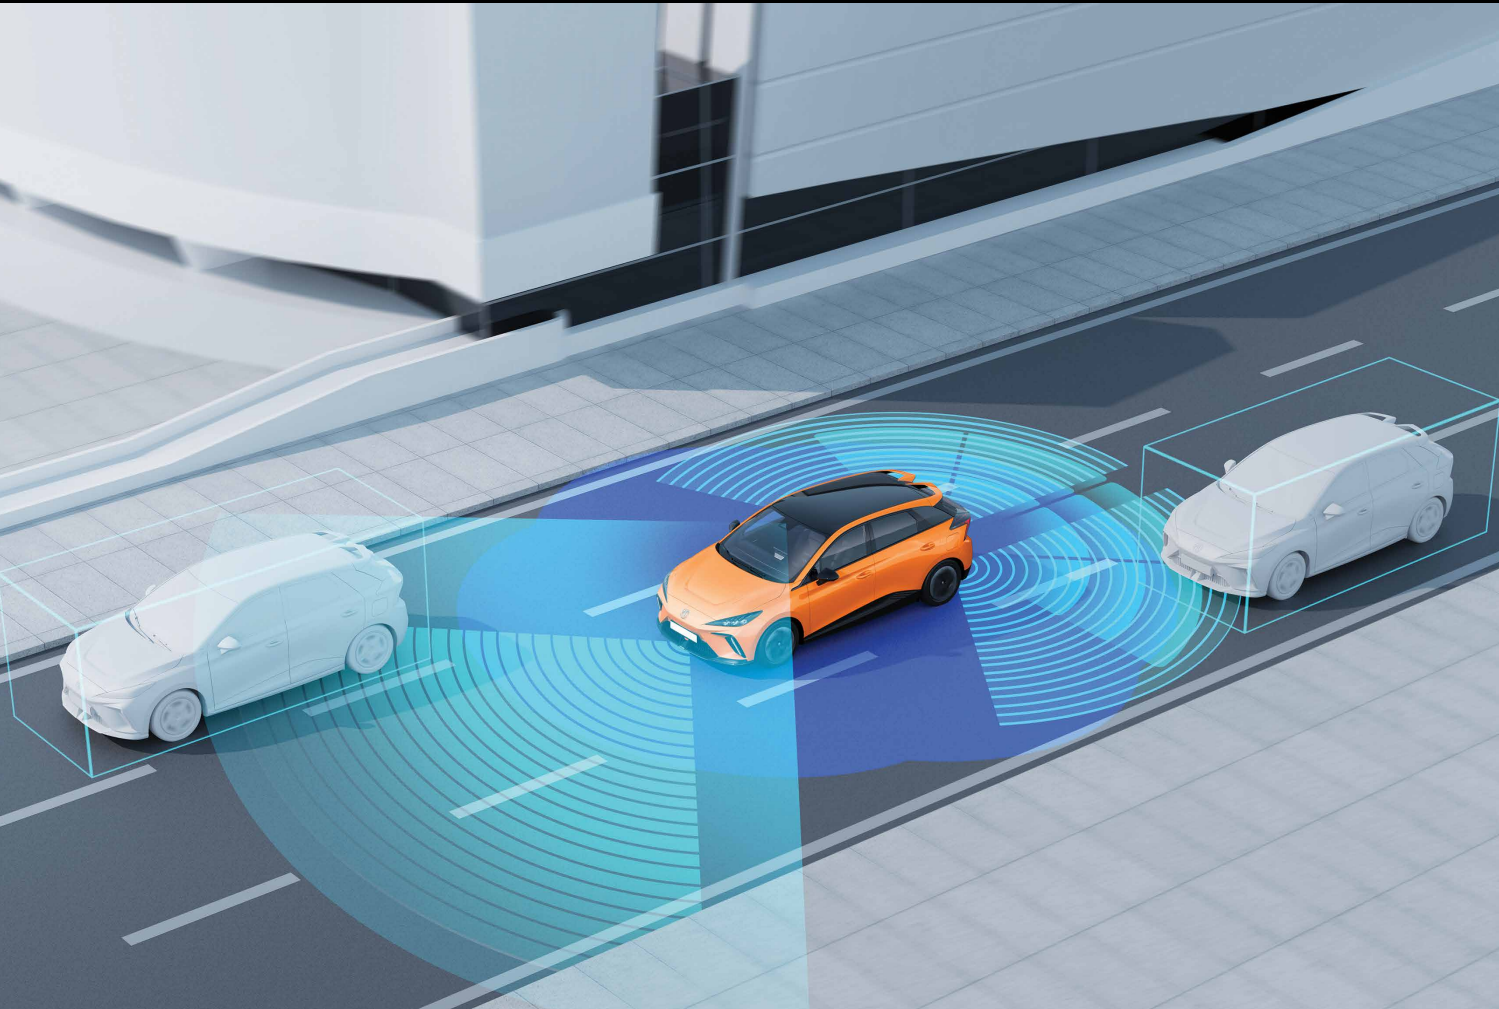

Launch control

Exclusively available to MG4 EV XPOWER, launch control provides an exhilarating sporty driving experience, propelling you from 0 – 100 km/h in just 3.8 seconds.

MG Pilot

The MG Pilot suite of high-tech driver assistance technology gives you added confidence on the road. A selection of warning and alert features assists the driver, maintaining safety and simplifying everyday driving.

Standard features

Active Emergency Warning and Braking with Pedestrian and Bicycle Detection

Adaptive Cruise Control (ACC)

Lane Keep Assist (LKA)

Lane Departure Warning System (LWDS)

Traffic Jam Assist (TJA)

Intelligent Speed Limit Assist & Traffic Sign Recognition

High Beam Assist

Additional features on Lux, Extended Range and XPOWER models

Blind Spot Detection (BSD)

Lane Change Assist (LCA)

Rear Cross Traffic Alert (RCTA)

Door Open Warning (DOW)

MG iSMART

Control at your fingertips

The innovative MG iSMART system integrates car, internet and user communication – giving you the power to operate many functions with hands-free voice control. It's designed to elevate your driving experience, delivering more ease and convenience to your MG4 EV drive.
