Introducing the MG5

The Sporty Fastback Coupe-Style Sedan

Built from a spirit of defiance, the all-new MG5 is made for those who dare to be different. Experience British design, performance, and innovation all in one ride. Embrace every journey with confidence and flair, and let the MG5 redefine your driving experience.

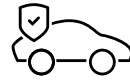

Sporty Design

All-round Performance

Innovative Technology

Integrated Safety

Second glances, guaranteed

Command attention wherever the road takes you with the sporty British fastback coupe-style sedan. Its eye-catching exterior and luxurious interior are sure to turn heads and make a statement wherever you drive.

Extraordinary Exterior

The MG5 features a coupe-inspired design with a bold front and sleek, aerodynamic lines. For those who crave a mix of practicality and sporty flair, this ride is your ultimate match.

Sporty Fastback Coupe Design

The front face of the MG5 exudes a sporty character with functional side air inlets, for enhanced performance and style.

3D Burning Front Grille

The 3D Burning Grille not only gives off a bold and energetic look, but also enhances engine cooling by improving airflow.

17" Tomahawk Alloy Wheels

The wheels are designed with dual-tone finishing to complement the sporty look of MG5.

Automatic LED Headlamps
Brighten up every journey with the MG5's automatic LED headlamps and Daytime Running Lights (DRL). They adapt to the surroundings, blending modern flair into each drive.

Ducktail Spoiler
The spoiler has a striking sporty appearance while enhancing the car's aerodynamics.

Dual Exhaust Tip Finisher
The Dual Exhaust Tip Finisher adds a sporty edge to your ride, combining style and performance to ensure a thrilling experience on every drive.

End-to-End Chrome Plated Trim
The sleek End-to-End Chrome Plated Trim offers a continuous gleam, adding a bold and stylish edge to your ride.

3D LED Taillights

Add a touch of race-track flair with 3D taillights that mirror MG's motorsport roots, boasting a dynamic design that celebrates MG's high-speed ancestry.

Superior Interior

The interior blends sleek aesthetics with modern comforts, ensuring that every drive is as dynamic as it is stylish. Get behind the wheel and experience supreme comfort and luxury on every journey.

Power Sunroof

The sunroof with an opening of 0.324 m² provides an open and airy cabin filled with natural light.

Ample Storage Capacity

The spacious storage area features easy access and foldable rear seats. With a generous 40lL trunk that expands when the rear row is folded down, you'll have ample space to keep everything you need within reach.

Black Leather Seats with Red Accents

The seats embody sleek sophistication with a pop of colour, perfect for adding a touch of boldness to your everyday drive.

Function that follows form

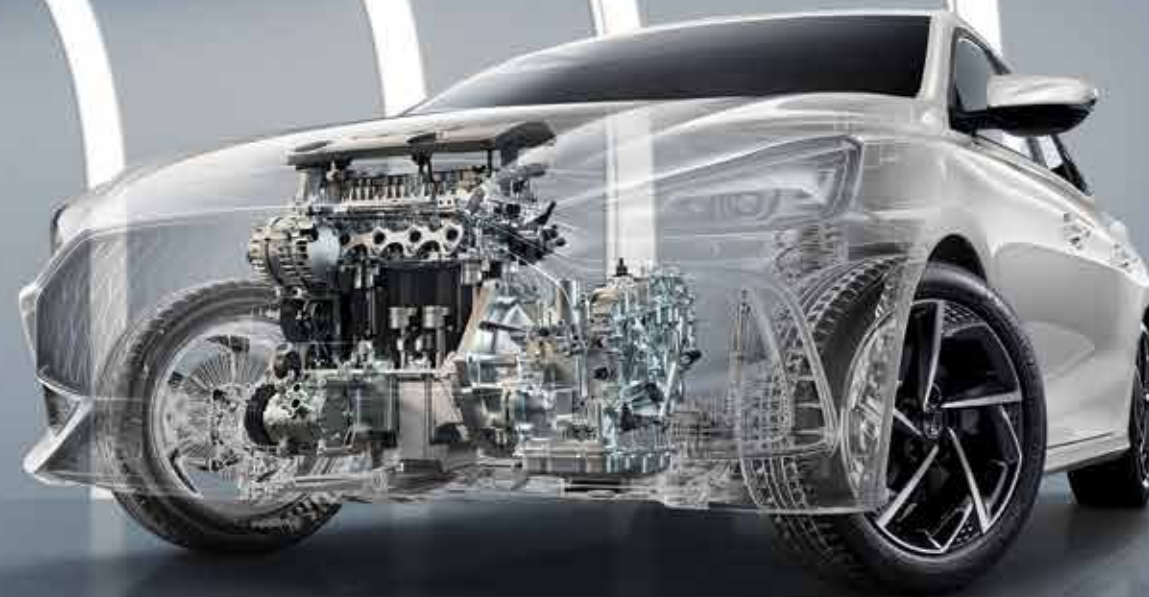

The MG5's advanced performance features deliver an unparalleled driving experience with optimal stability and efficiency. Every journey becomes a pleasure as the MG5 expertly balances dynamic power and handling.

114 HP
Output

8-Speed
iCVT Transmission

150 Nm
Max Torque

Powertrain
1.5L DVVT

Segment-Leading Wheelbase
The long 2680mm wheelbase enhances stability and comfort, providing a smooth and controlled ride.

Dynamic Powertrain
Power meets efficiency in the MG5 with its 1.5L DVVT engine, High Efficiency Atkinson Cycle, and Bosch cooling.

Efficient Transmission
Engineered for durability with a rigorous 2.35 million kilometers durability test, the MG5 8-speed iCVT transmission delivers 97% power transfer efficiency and rapid 0.1-second gear shifts.

Reliable Fuel Efficiency
With a fuel consumption rate of 17.5 km/l, the MG5 is an economical choice for both daily commutes and long drives.

Reinvent your ride

Setting a new standard in mobility technology, the MG5 is equipped with a range of innovative features that enhance driving experience and safety.

10.25" HD Infotainment

The infotainment display features a driver-oriented HD touchscreen, tilted 14.1° towards the driver for easy access. With IPS full lamination technology, it provides clear and precise information.

Digital Virtual Cockpit

The 7-inch LCD Virtual Cockpit integrates a speedometer, fuel gauge, tachometer, and temperature gauge, providing real-time vehicle information and electronic assistance for a clear and comprehensive view of your drive.

Smooth Cruise Control

The cruise control system enables the driver to keep the vehicle advancing at a constant speed without depressing the accelerator pedal.

Conquer every turn with confidence

Safety you can count on. The MG5 is equipped with safety features to keep you ahead of the road and ensure every journey is secure. Featuring MG Pilot's comprehensive suite of advanced technology, the MG5 enhances your driving confidence and helps you navigate every turn with precision and ease.

Complete Airbag Coverage

360° View Camera

ISOFIX

Complete Airbag Coverage

Safety comes first with 6 SRS airbags (front, side & curtain), designed to protect you and your passengers in every direction.

360° View Camera

The 360° camera offers a bird's-eye view, enhancing the driver's visibility for safer parking and manoeuvring.

ISOFIX

Ensure your child's safety with ISOFIX system, providing secure and easy installation for child seats.

MG Pilot

The MG Pilot suite of high-tech driver assistance technology gives you added confidence on the road. A selection of warning and alert features assists the driver, maintaining safety and simplifying everyday driving.

Rear Cross Traffic Alert (RCTA)

RCTA detects vehicles and objects beyond the rearview scope, allowing you to reverse with confidence.

Blind Spot Detection (BSD)

BSD detects vehicles in blind spots on both left and right side mirrors. If a vehicle is detected, BSD will illuminate a bright warning light to alert the driver and prevent a potential collision. It activates when the vehicle speed exceeds 15 km/h.

Lane Change Assist (LCA)

LCA warns the driver if a vehicle approaching from behind might cause a collision when changing lanes. It activates when the vehicle speed exceeds 15 km/h.

Additional MG Pilot features

Hill-start Assist Control (HSA)

Lane Departure Warning (LDW)

Anti-lock Brake System (ABS)

Rear Collision Warning (RCW)

Traction Control System (TCS)

Cornering Brake Control (CBC)

Electronic Stability Program (ESP)

Stability Control System (SCS)

Electronic Brake Assist (EBA)

Emergency Stop Signal (ESS)

Electronic Brakeforce Distribution (EBD)

Electronic Differential System (XDS)
